R & D Learning: provides information on post-qualification courses available to mental health professionals. The website includes not only postgraduate courses but also includes a wide variety of other short courses, workshops and conferences provided by organisations such as the Mental Health Nurses Association, the National Institute for Mental Health in England and the Sainsbury Centre for Mental Health. R&D Learning currently holds details of over 6,000 educational events and can be searched by geographical area, subject, keyword or level of qualification. To search the database, click on the logo.
